10/10: School Closed
10/11: Open House 6:30PM
10/14: Gym
10/19: Library
10/31: Halloween Parade 9:15AM

Director's Note

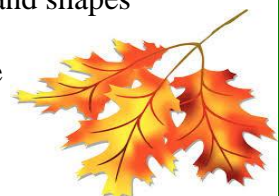

We made it through the first month of school and the children have done a wonderful job getting used to the school routine. If any questions or concerns arise please feel free to reach out directly to the teachers. Their email addresses can be found at the bottom of the newsletter.

Hello Parents,

It's hard to believe how quickly the first month of preschool has come and gone! In our time together this past month, the 4's class have been learning the routine of the day, getting familiar with class jobs and have started to build relationships within the class. We have covered topics from safety in the classroom, learning about local community helpers and understanding how to be an active participant in the classroom. We have covered letters Aa, Mm, and Tt, numbers 1-2, the circle and the color red.

Coming up in October we are moving on to Seasons and Weather. As we observe the changes in our environment we will be discussing how these changes relate to our seasons, our weather, and our clothing. We will continue to introduce new numbers, letters and shapes throughout the month.

Our busy schedule will end with a fun celebration and gathering together for the Halloween Parade! Looking forward to another great month!
