- 3/8 Chapel
- 3/8 Gym
- 3/20 Library
- 3/22 Bowl-A-Thon @ Jordan Lanes
- 3/27 Easter Bonnet Parade and Egg Hunt @9:30am

## Parent's Corner

We will be jumping forward into another fun and busy month. We learned about health and wellness throughout the month of February and with Spring coming, we hope to get outside as much as we can! Unstructured play outside is just as important to your child's development as eating the rainbow and getting a good night's sleep. Think Spring!

Dear Parents,

Wow, February was a fast month! The students had so much fun learning about wellness! Dental Health might have been the favorite as we practiced with many different things how to brush our teeth. We also conducted several science experiments and learn how what we drink can hurt our teeth! Our Teddy Bear Clinic allowed the students to see and learn about an ambulance, become a doctor and care for their animals, learn how to wash hands with Glitter Bug, and meet and speak with a dental Hygienist.

In March, we will learn about Spring and all the changes it brings. We will be counting to 7 and learning the letters R, S, T. As the weather gets warmer, we will be spending more time outside. Please make sure that the children have a jacket and outdoor shoes when coming to school. We will have our next field trip with our annual Bowl-A-Thon on March 23<sup>rd</sup> at Jordan Lanes and ending the month with our Easter celebration including an Easter Bonnet Parade and Egg Hunt.
